

Friend...

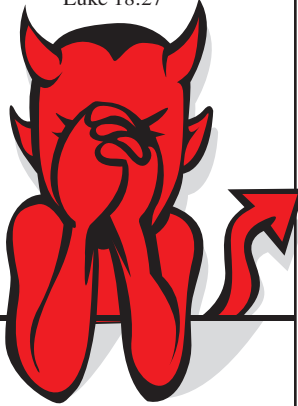

Imagine a world free of sin, evil and misery. Pretty sweet huh? Pray for Satan's salvation and make that dream come true! Jesus died for all of our sins, the least we can do is milk that sweet sacrifice dry. Pray for Satan, and show God you've been payin' attention. Because, don't forget, miracles are a dime a dozen in Heaven.

PRAY FOR SATAN

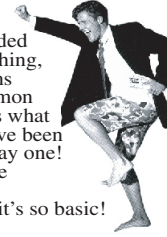

Luke 18:27

Normal Bob Smith Ministries

God wants me to pray for Satan? Are you sure? Yes! We've finally solved the Bible, and all you gotta do is pray for Satan! What better way to show unconditional, selfless love than to pray for the Prince Of All Evil?

But Satan can't be saved, can he?
Of course he can! Do you think God isn't powerful and loving enough to forgive Satan? The bible says: "All things are possible through prayer." And last I checked "All things" included every single thing, and that means Satan too! C'mon people, this is what we should have been doing since day one! What were we thinkin'?!? Jesus Christ, it's so basic!

Great! So what do I have to do?
Good question! Simply pray that Satan sees the mistakes he's made, asks for forgiveness and invites Jesus Christ into his heart as his own personal savior!

Is there anybody else I should pray for while I'm at it?
Stop wasting your time praying for anyone else. If Satan repents you may never have to say another prayer for anyone ever again! Imagine that, no more evil and sin! Just happiness and love! And Satan will then use his powers for good! Think of it, we'll be telling our grandchildren about what sin was!

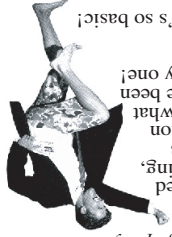

And when Satan does repent, then what do we do?
How does "Live happily ever after... forever" sound?
